File with confidence

Enjoy the security of electronic funds transfer on the tax due date. Sage Tax Filing Services pays your taxes to all the appropriate tax agencies in the correct tax formats. Sage Tax Filing Services supports IRS EFTPS, state and local income tax, state unemployment insurance, state disability insurance, and related tax returns.

Keep your tax dollars working for you

Sage Tax Filing Services doesn't impound your tax liabilities so you can save substantially on annual payroll tax processing costs. Unlike service bureaus, your payment is electronically routed directly from your bank account to the taxing authority just before or on the tax due date. There's never a need to pre-pay taxes to a service bureau, thus eliminating lost interest earnings.

Comply with ever-changing tax laws

Staying compliant with the changing tax laws doesn't have to be an administrative nightmare. Sage Tax Filing Services compliance experts will lead you down the right path, steering you away from potential trouble. When you transfer the responsibility of handling government inquiries to our compliance experts, you'll receive a copy of every notice received from the tax agencies and any correspondence performed by Sage Tax Filing Services on your behalf.

Powerful reporting gives you complete information

With Sage Tax Filing Services you'll have everything you need to keep up to date. Get same day confirmation of tax information received by Sage Tax Filing Services. Verify your tax payments before they are made. Get copies of tax returns. Even when filed electronically, a hard copy tax return is provided for your files. State taxes are prepared using a signature-ready return, or on your original blank return form. Sage Tax Filing Services also provides you with a full complement of reports to keep you up-to-date, including a copy of your company's Master File Information at the time of account setup. You can verify your Summary of Wages and Tax Totals with tax information received by Sage Tax Filing Services and confirm payments made on your behalf by Sage Tax Filing Services with a Payment Summary Report. This includes tax due date and amount due, name of taxing agency, tax type, and date and amount paid.

Relieve year-end worries with W-2 printing services

Preparing and processing year-end tax forms doesn't have to be time-consuming and tedious. Sage Tax Filing Services will relieve you of year-end headaches by printing and delivering your W-2 forms for you.
